Candidates who delay their applications until a late date will do so at their own risk.

A candidate for whom a declaration under Section 96A of the Government of India Act is necessary [see Rule 4 (*b*)] should take immediate steps to obtain the declaration.

RESOLUTION.

In exercise of the powers conferred by Section 97 (6) of the Government of India Act, the Secretary of State, with the concurrence of the majority of votes at a meeting of the Council of India held this 1st day of July, 1930, hereby makes the following rules, for the regulation of admission to the Indian Civil Service through open competitive examinations to be held in India, namely :—

Rules for Competitive Examinations for the Indian Civil Service to be held in India.

(1) A competitive examination for admission to the Indian Civil Service shall be held in India at such time and place as the Governor General in Council may direct.

*In the case of Calcutta the Commissioner of Police.

(2) The maximum number of candidates to be admitted to the examination may in the discretion of the Governor General in Council be limited to such number not being less than 200 as the Governor General in Council may decide. If a limit is imposed and the number of candidates exceeds that limit the Public Service Commission shall select from among the applicants those who shall be admitted to the examination and shall have regard in so doing to the suitability of the applicants for the Indian Civil Service and to the adequate representation of the various provinces of India.

(3) (*i*) A candidate shall apply to be admitted to the examination before such date and in such manner and in such form as the Governor General in Council may prescribe. The application shall be made to the proper authority of the area in which his parents reside at the time of the application or of an area in which they have previously resided for a period of not less than three years or in which he has himself resided, otherwise than as a student at a university only, for a like period.

(*ii*) The proper authority shall be, for a Governor's province the Chief Secretary, for Coorg, the North-West Frontier Province, Delhi or Ajmer-Merwara, the Chief Commissioner and for a State in India the Political Officer or Agent who shall be addressed through the Durbar.

(*iii*) No candidate shall make more than one application in respect of any one examination.

(4) A candidate must be a male and either

(*a*) a British subject of Indian domicile whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service ; or

(*b*) a Ruler or a subject of a State in India in respect of whom the Governor General in Council has made a declaration under Section 96A of the Government of India Act :

Provided that in the case of a male British subject the requirements of this rule may be waived by the Secretary of State in Council if he is satisfied that their observance would occasion exceptional hardship and the candidate is so closely connected by ancestry and upbringing with His Majesty's dominions as to justify special treatment.

(5) A candidate must have attained the age of 21 and must not have attained the age of 23 on the first day of January in the year in which the examination is held.

(6) A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient performance of the duties of a member of the Indian Civil Service. A candidate who is found after examination by a Medical Board not to satisfy these requirements will not be accepted for admission to the examination.

(7) A candidate must satisfy the Public Service Commission that his character is such as to qualify him for employment in the Indian Civil Service.

(8) *A candidate must hold a degree of a university approved by the Governor General in Council, or the senior diploma of the Mayo College, Ajmer. In exceptional cases the Public Service Commission may, on the recommendation of the local Government, treat as a qualified candidate a candidate who though not possessing any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which, in the opinion of the Public Service Commission, justifies his admission to the examination.

(9) No candidate shall be admitted to the examination unless he holds a certificate of admission from the Public Service Commission.

(10) No recommendations except those invited in the form of application will be taken into consideration. Any attempt on the part of a candidate to obtain support for his application by other means, may disqualify him for admission.

(11) Candidates must pay the following fees :—

The arms will then be lowered to hang loosely by the side, and care will

be taken that the shoulders are not thrown upwards or backwards so as to displace the tape. The candidate will then be directed to take a deep inspiration several times, and the maximum expansion of the chest will be carefully noted.

(D) Each eye will be examined separately and the lids must be kept wide open during the test.

(E) Inability to distinguish the principal colours will not be regarded as a cause for rejection, but the fact will be noted in the proceedings and the candidate will be informed.

Medical Examiner's Report.

The following intimation is made for the guidance of the Medical Examiner :—

No person will be deemed qualified for admission to the Public Service who shall not satisfy the Public Service Commission that he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for that Service.

The Commission desire that it should be understood that the question of fitness involves the future as well as the present, and that one of the main objects of medical examination is to secure continuous effective service, and in the case of candidates for permanent appointment to prevent early pension or payments in case of premature death. It is at the same time to be noted that the question is one of the *likelihood* of continuous effective service, and that the rejection of a candidate need not be advised on account of the presence of a defect which in only a small proportion of cases is found to interfere with continuous effective service.

The candidate must make the Statement required below prior to his Medical Examination and must sign the Declaration appended thereto. His attention is specially directed to the warning contained in the Note below.
